

Cod: 87940424

Stainless steel wall unit 140x40x65h cm with 2 sliding doors EC

Description

The 140x40x65 h cm stainless steel wall unit with 2 sliding doors has a strong and durable structure made of AISI 430 18/10 stainless steel.

All our stainless steel is certified for use in kitchen laboratories and to come into contact with food. The cupboard doors are removable. It is also equipped with an intermediate shelf and bottom shelf. The middle shelf can be adjusted in height.

Photo purely indicative. The product may have residues of detergents used to clean the steel during production, which can be removed by normal steel cleaning. The product may show small scratches due to the normal handling of industrially produced steel.

N.B. : The wall unit is shipped disassembled. To receive the wall unit assembled, select the option Wall Unit Assembly.
