

Cod: 7579

Countertop slush maker 2 x 15 litre tubs

Description

Countertop slush maker 2 Tanks total capacity of 30 litres, double cooling circuit, is particularly suitable for rooms with a large influx of people. Increased consumption and profits are ensured by the complete visibility of the product and the large illuminated surface of the lids. The containers are made of non-toxic, unbreakable polycarbonate with a capacity of 15 litres each. The granulator features a patented magnetic drive system, hermetic compressor, air-cooled condenser and a noise level of less than 70 dB (A).

Dimensions

Dimensioni esterne	460x530x900 mm
