

Cod: 7677

460x400x250mm 230v Ventilated plate and oven

Description

Ventilated hotplate and oven: thanks to the internal fan, it distributes the heat evenly, guaranteeing exceptional cooking quality, becoming both a hotplate and a ventilated oven; - Fast and unique: it grills perfectly up to 4 toasts in about 3 minutes, due to its characteristics it is unrivalled in its kind and the result will surprise you and your customers; - Economical, odourless and ecological: it consumes only 1200 watts when heating up, therefore it benefits from considerable energy savings, moreover the ventilation keeps the vapours inside avoiding the release of fumes and odours, therefore it does not need an extractor hood.

Dimensions

Dimensioni a lavoro	300x220 mm
Dimensioni esterne	460x400x250 mm

Technical data

Alimentazione	Electric
Peso	18 kg
Potenza Elettrica	1.2 kW
Temperatura d'esercizio	0 +250 °C
Voltaggio	230 V
