Pacojet II PLUS

Description

The Pacojet 2 PLUS sets a new milestone in the further development of pacossare. Thanks to the new programmable automatic repeat function, pacossare can be repeated up to 9 times with overpressure - for maximum time savings. The new, advanced deboning flap mechanism allows secure attachment of the 'Gold-PLUS' deboning flap even with repeated deboning. Supplied with pocketing cups, cup lids, protective cup, splash guard with pre-scraper, "Oro-PLUS" pocketing flap, washing insert, tumbler seal, rinsing insert and spatula.
