

Cod: 7787

Glass ceramic crepe grill with hob Ø 35 cm 1500W

Description

Crepe maker with a 35 cm dia. glass-ceramic cooking surface, ideal for cooking crepes and piadinas as well as heating up pizza and any other food. Equipped with an efficient and fast heating element made of armoured steel with low consumption. Also ideal as a replacement for gas cookers in second homes, caravans and campers or on yachts or anywhere you don't want to or can't use gas cookers. The crackling pan has a thermostat ranging from 0-300°, light switch and an indicator lamp.
