

Cod: 7790

Stainless steel oven plate with ribbed lid double function grill and oven with glass ceramic top 1450W 36x50x25h cm

Description

A unique and special cooking machine that allows you to cook as on a hotplate or as on a ventilated oven by simply acting on the handle position (high=oven low=cooker) . Extra "grill" and "fan" functions for gratin baking, with smooth or ribbed glass-ceramic hobs to choose from. Equipped with electric heating elements with immediate heating and low power consumption; extreme cooking speed thanks to concentrated and uniform heat. The oven plate has a 25x25 cm smooth or ribbed glass-ceramic top of your choice, ease of use and cleaning, "grill" button and 30 min. sound timer.
