

Cod: 7792

Stainless steel oven plate with ribbed lid double grill function and ventilated oven with glass ceramic top 2100W 50x54x25h cm

Description

A unique and special cooking machine that allows you to cook like on a hotplate or like on a ventilated oven by simply adjusting the position of the handle (high=oven low=cooker). Extra "grill" and "ventilated" functions for gratin baking, with a choice of smooth or ribbed glass-ceramic hobs. Equipped with electric heating elements with immediate heating and low power consumption; extreme cooking speed thanks to concentrated and uniform heat. The oven plate has a 40x30 cm smooth or ribbed glass-ceramic top of your choice, simple operation and easy cleaning, buttons for grill and ventilation function.
