

Cod: 8522

## Immersion mixer crusher with variable speed drive power 240W

### Description

Ideal blender for the finest and most delicate shredding, smooth dough or puree. The advanced blade design, blade protection system and range of speeds available make it ideal for everything from the finest chopping to the most delicate emulsions and pastes, all quickly and conveniently and without the need for accessory tools. It is designed for maximum comfort in containers of up to 10 litres capacity. The outer body, made of two materials, provides an ergonomic grip with non-slip grip and has an optimal handle angle to minimise fatigue.

### Dimensions

Lunghezza	448 mm
Lunghezza braccio	223 mm

**Technical data**

Capacità	10 Lt
Frequenza	60 Hz
Peso	1.4 kg
Potenza Elettrica	0.24 kW
Voltaggio	230 V
