

Cod: 2590

Cooker 4 Electric Hotplates + Static 1/1 GN Oven

Description

Cooker 4 Electric Hotplates + Static 1/1 GN Oven. Stainless steel construction. Moulded, double-walled oven door and sturdy handle. Thermosetting plastic knobs. Heating by means of electric round cast-iron plates. Heating element fixed to the bottom of the plate, embedded in a layer of insulating material. Each plate is equipped with a switch that allows the power to be adjusted from maximum to minimum in seven positions. Safety is ensured by a temperature limiter placed inside the hotplate. Moulded worktop with an inverted counter-buttering to ensure perfect plate seating, easy cleaning and to protect electrical components from overflowing liquids. Static 1/1 GN electric oven. Removable oven rack made of stainless steel rod. Oven floor made of thick steel and reinforced with a series of ribs. Insulation of baking chamber and oven door ensured by a layer of ceramic fibre resistant to high temperatures. Height-adjustable stainless steel feet.
