Spiral kneading machine with speed variator 41 l single-phase

Description

The Ristoattrezzature.com spiral mixer is the ideal machine for pizzerias, bakeries and households. The special shape of the spiral makes it possible to obtain perfectly mixed dough in just a few minutes. The bowl, spiral, central column and protection grid are made of stainless steel. The drive system is particularly quiet as it is realised with an oil-bath gear motor. All machines are equipped with a dough splitter. The kneading machines are equipped with a speed variator.
