## Spiral kneading machine with speed variator 48 l single-phase

### Description

The Ristoattrezzature.com spiral mixer is the ideal machine for pizzerias, bakeries and households. The special shape of the spiral makes it possible to obtain perfectly mixed dough in just a few minutes. The bowl, spiral, central column and protection grid are made of stainless steel. The drive system is particularly quiet as it is realised with an oil-bath gear motor. All machines are equipped with a dough splitter. The kneading machines are equipped with a speed variator.
