

Cod: 92750111679022

Double temperature ventilated refrigerated wine cellar 95 bottles
595x710x1720h mm +5°C + 12°C/+12+ 20°C

Description

Wine cellar with external structure in black painted sheet metal, with internal sides in black ABS and rear panel in AISI304 stainless steel. The temperature can be monitored by means of a control unit and touchpad-controlled digital displays. Refrigeration is ventilated with R600a refrigerant gas. It can hold up to 15 grills. Defrosting and evaporation of condensation water are automatic. The two toughened double-glazed doors with UV protection are reversible and have key locks.
