KitchenAid artisan electric kettle 1.5 l cream 5KEK1522EAC

Description

KitchenAid artisan electric kettle 1.5 l cream colour. Smooth, rounded design temperature control from 50 °C to 100 °C. Die-cast metal construction with soft grip. Making steaming tea has never been easier. Tea and herbal teas are not all the same and we know that. That's exactly why the KitchenAid Artisan 1.5 litre kettle allows you to adjust the temperature so you can enjoy the best tea or herbal tea ever. Modern and attractive design gives your kitchen a touch of timeless elegance. Designed for lightning-fast performance: the kettle quietly heats water in minutes. Select the right temperature according to your preparations: hot for drinks, boiling for broths. Improved insulation to keep the water hot for longer, reduce noise and keep the outside cool to the touch. Heats large quantities of water. Controls the water temperature even when the kettle is not inserted in the base. Included with the product are 1) 360° base.
