

Cod: 9371

**2-door stainless steel refrigerated table with splashback -2 +8 °C  
1360x600x850 h mm tropicalized**

## Description

Refrigerated counter with splashback made of stainless steel inner and outer structure with rounded corners at the bottom for easy cleaning.

The product is equipped with self-closing doors, 2 grids (1 per door), adjustable feet and has an operating temperature that is in the -2 +8 °C range and can be constantly regulated and controlled thanks to an electronic thermostat.

Water evaporation is automatic and defrosting is electric.

Drawers and grids are available as options.
