

Cod: 9378

200x70x45h cm stainless steel wall-mounted snack hood with EC motor

Description

The 200x70x45h cm stainless steel wall-mounted snack hood with motor features a robust and durable stainless steel construction.

Equipped with stainless steel labyrinth filters, flameproof and dishwasher safe.

Possibility of connecting several hoods side by side thanks to the use of plenums (optional)

Built-in suction motor 7/7 version, see details in data sheet.

Photo purely indicative. The product may present residues of detergents used to clean the steel during production, which can be removed with normal steel cleaning. The product may present small scratches due to the normal handling of industrially produced steel.
