

Cod: 95360781728044

Manual hot air electric fryer 2 lt 250x250x300h mm 1 kW

Description

This fryer is perfect if you are looking for a compact hot air fryer. The fryer uses high speed air convection which allows you to bake, fry, roast and grill without the use of oil. Much healthier and less odour.

NB: Non-professional equipment.
