

Cod: 97250654067

Smeg UW6070D washer-drier with 600x700 mm basket 12.7 kW

Description

Basket washer 600x700mm Control panel: electronic No. of programmes: 3, one of which can be set by the user Hour baskets: 30 / 15 Useful load height: 850 mm Rinse aid dispenser: electronically controlled peristaltic pump Detergent dispenser: electronically controlled peristaltic pump Thermal-acoustic insulation: door Washing/rinsing impellers: 2 washing impellers + 2 rinsing impellers + 1 washing and rinsing side impeller Washing system: n.2 washing pumps with 'Soft Start' system Washing pump power: 1.5 kW (upper pump) + 2.2 kW (lower pump) Drainage system: Overflow Filter system: two-stage Rinsing system: rinse pump Tank heating element: 4.5 kW Boiler heating element: 9 kW Double-walled tank with rounded corners Thermostop for rinsing water temperature control Self-diagnosis system with fault indication

Dimensions

Dimensioni esterne	800x865x2095 mm
--------------------	-----------------

Technical data

Alimentazione	Electric
Capacità	70 Lt
Capacità boiler	17 Lt
Consumo d'acqua	6 kg
Frequenza	50 Hz
Materiale	aisi 304 stainless steel
Potenza Elettrica	12.7 kW
Voltaggio	400 V

Standard equipment

In dotazione	Cesto base in acciaio
