

Cod: 2988

Cup and Glass Cooler

Description

Its unique bell-shaped design and LED lights, which are activated by pulses of gas, will attract the attention of all your customers and make you stand out from the rest of the premises. Recommended for Bars, Restaurants, Discos, Lounges, Afterwoks or Cocktail-Bars. Instant Glass Cooler. Instantly freezes any type of glass. Brings hygiene to service as it sterilises glasses. Prevents breakage of glasses. Does not need to be connected to the mains, so saves energy and can be easily and quickly placed anywhere due to its small size. Uses liquid CO2 cylinders with probe. Not included.
