

Cod: 100572028

200x70x95h cm stainless steel table on legs with bottom surface and splashback EC

Description

The 200x70x95h cm stainless steel table on legs with base and splashback has a strong and durable structure in AISI 304 18/10 stainless steel.

All our stainless steel is certified for use in kitchen laboratories and to come into contact with foodstuffs. The worktop is reinforced with a water-repellent bilaminate chipboard. The table has square tube legs, adjustable feet and a bottom shelf.

Photo purely indicative. The product may have residues of detergents used to clean the steel during production, which can be removed by normal steel cleaning. The product may show small scratches due to the normal handling of industrially produced steel.
