Stainless steel sink 160x60x85h cm 2 basins with right-hand overhanging draining board, dishwasher compartment, shelf and splashback EC

Description

Stainless steel sink 160x60x85h cm 2 bowls with cantilevered drip pan on the right, shelf and splashback has a sturdy and durable structure made of AISI 304 18/10 stainless steel. All our stainless steel is certified for use in kitchen laboratories and to come into contact with food. The sink has a back splashback, a shelf and a bowl. Thanks to the adjustable feet, the height can be adjusted.

Photo purely indicative. The product may have residues of detergents used to clean the steel during production, which can be removed by normal steel cleaning. The product may show small scratches due to the normal handling of industrially produced steel.

The tap hole is excluded.
