

Cod: 3209

Stainless Steel Mini Cold Storage Unit 212 cm high

Description

A stainless steel refrigerated mini-cabinet designed to meet all requirements for fast storage. Its small dimensions, base 100x100 cm by 212 cm in height, make it easy to place in any location, even the most cramped. The different possible arrangements and the great ease of loading make it a practical and functional tool for every occasion and use. It consists of a stainless steel floor, an automatically closing door, and a ceiling mounted monoblock with automatic evaporation of condensation water, fixed to the roof panel. Completely detachable, it consists of 6 panels with hook attachment.
