

Cod: 100790020162047

Combined electric oven 7 GN 1/1 steam convection trays with boiler and digital controls

Description

This electric combi steam oven is designed to meet every need. Thanks to the automatically regulated boiler with high thermal efficiency, you can cook with steam. With the innovative convection cooking system you can heat each of the 7 GN 1/1 baking trays evenly. All this can be managed with a simple touch thanks to the 7" digital touchscreen controls and the knob with scroll and push functionality. This oven guarantees an IPX5 water protection rating and features a 60°, 90°, 120° and 180° door lock, Ventilated right-hand side-opening door and inspectionable glass, adjustable feet.
