

Cod: 3219

Mini Stainless Steel Cold Storage Cabinet 212 cm high (EXCLUDING MOTOR)

Description

A stainless steel refrigerated mini-cabinet designed to meet any need for fast storage. Its reduced dimensions, base 100x100 cm by 212 cm in height, make it easy to position in any place, even the most cramped. The different possible arrangements and the great ease of loading make it a practical and functional tool for every occasion and use. It consists of a stainless steel floor, an automatically closing door, and a ceiling mounted monoblock with automatic evaporation of condensation water, fixed to the roof panel. Completely detachable, it consists of 6 panels with hook attachment.
