Refrigerated Counter 180 cm

Description

Ventilated refrigerated display case with built-in motor and a depth of only 78 cm. Thanks to its well-dimensioned system, it is ideal for displaying pastry, delicatessen, dairy and cured meat products. Three height-adjustable glass shelves with neon lighting as standard, top lighting, electronic control panel, automatic defrosting, automatic evaporation of condensation water. The display case is equipped with flat panoramic glass panes on 5 sides. The double-glazed sliding doors at the rear ensure maximum operability, minimum space requirements and reduce air displacement when the door is opened.
