

Cod: 102180001012185

## 1-burner gas cooker 6 kW 41x45.7x24h cm convertible to countertop Frytop

### Description

Counter-top gas cooker with plate insertion option that allows it to be converted into a Frytop

Strong points:

- Burner with 6 Kw thermocouple. High-hardness cast iron grill, fully removable for cleaning.
- Possibility of converting the burner by simply rotating the grate and inserting a 6 mm 40x40 cm laminated steel plate. (available as an option)
- High-quality chrome-plated bakelite knobs with maximum / minimum signals.
- Rear gas outlet that facilitates installation in places where space is at a premium.
- Sturdy adjustable feet
- Piezo ignition (1 per valve).
