## **Stainless steel cabinet table 140x70x95h cm with 2 sliding doors and EC splashback**

### **Description**

The stainless steel closed cupboard table 140x70x95h cm with 2 sliding doors and splashback has a strong and durable structure made of AISI 304 18/10 stainless steel.

All our stainless steel is certified for use in kitchen laboratories and to come into contact with food.

The worktop is reinforced with a water-repellent bilaminate chipboard.

The table has legs with height-adjustable round feet and removable sliding doors. It is also equipped with an intermediate shelf and a bottom shelf. The middle shelf can be adjusted in height.

Photo purely indicative. The product may have residues of detergents used to clean the steel during production, which can be removed by normal steel cleaning. The product may show small scratches due to the normal handling of industrially produced steel.

N.B. : The table is shipped disassembled. To receive the table assembled, select the option: Assembly.
