Neutral counter display 55.4x37.6x30.5h cm curved glass 25 litres

Description

The **neutral counter display for bakeries and kitchens** is an extremely practical and easy-to-clean professional tool.

Manufactured in **compliance with the highest quality standards**, Ristoattrezzature's display unit is characterised by its ability to optimally **display and store food**. Ideal in gastronomy.

Its structure is made entirely of **glass** and ensures **better display of your croissants and brioches at the counter, easy cleaning and high performance**. Make room for transparency and quality of your products. Make room for the right professional equipment in your kitchen.

Design and function

The **neutral counter display for gastronomy** is characterised by its minimalist **design and essential lines**. The choice of materials and the design of the external appearance are functional to the role our counter display should play.

Curved glass and rounded corners make it easy to use and also easy to clean for **uncompromising hygiene**. The bar display is equipped with 1 door that can be opened on one side for easy opening and closing by the operator.

It is called neutral because it is neither hot nor cold and is suitable for displaying and storing different types of food.

Its **external dimensions are 554x376x305 mm**, its packing dimensions 624x457x362 mm for a **capacity of 25 litres**. **Adjustable steel feet** are included.

Why it's the right product for you

One of the reasons why your business cannot do without our **neutral counter display unit** is its **ability to optimise space** by providing the right support surface for storing and displaying your fragrant sweet or savoury preparations at the same time. Its structure provides **the right support surface** for storing and displaying your fragrant sweet or savoury preparations at the same time.

Offer your customers quality and particularly advantageous organisation in bars, pastry shops and catering establishments in general. You will ensure that your counter is always tidy and more. **By purchasing this professional equipment you will have**

- **greater working comfort**
- **a durable and resistant product**
- **high performance**
- **versatility.**

A neutral counter display for bars and pastry shops can easily be adapted to different contexts of use. Depending on your needs, you can choose from counter displays of different sizes.
