Stainless steel cupboard sink 140x70x85h cm 2 bowls with drip tray on the left 2 sliding doors EC

Description

The 140x70x85h cm 2-bowl stainless steel cupboard sink with drip tray on the left and 2 sliding doors features a sturdy and durable 18/10 stainless steel structure. All our stainless steel is certified for use in kitchen laboratories and to come into contact with food. The sink has legs with height-adjustable round feet and removable sliding doors.

Photo purely indicative. The product may have residues of detergents used to clean the steel during production, which can be removed by normal steel cleaning. The product may show small scratches due to the normal handling of industrially produced steel.

The tap hole is excluded.
