

Cod: 991101352

Gravity sausage slicer with removable sharpener chromium-plated blade Ø 250 mm 0.14 kW

Description

A medium-sized domestic slicer suitable for cutting cold meats, cheeses, fruit and vegetables thanks to its third-generation blade, which allows the product to adhere less to the blade, making it easier to cut. The new EASY CLEAN system, which allows the plate to be tilted, allows the cutting area to be cleaned quickly and easily. The presser with the detachable and DISHWASHABLE plate makes cleaning this slicer model even easier.

- It has the following features:
 - EASY CLEAN SYSTEM: tilting plate for quick cleaning of the cutting area.
 - Slicer press with plastic slipper that can be dismantled and washed in the dishwasher.
 - Die-cast aluminium base lacquered with double coat of paint plus food-grade clear coat.
 - Die-cast aluminium blade cover and plate protected with anodic oxidation.
 - Professional ventilated motor to limit heating and make it silent.

- Blade-holder shaft mounted on double bearing that makes the slicer silent.
- Third-generation professional blade, ground and hard chrome-plated to maintain cutting efficiency for as long as possible.
- Removable sharpener housed under the base.

Dimensions

Capacità di taglio	220x165 mm
Corsa carrello	235 mm
Diametro lama	250 mm
Dimensioni esterne	530x480x345 mm
Dimensioni imballo	545x480x410 mm
Dimensioni piano d'appoggio	400x250 mm
Spessore massimo di taglio	14-16 mm

Technical data

Alimentazione	Electric
Frequenza	50 Hz
Peso	14 kg
Potenza Elettrica	0.14 kW
Voltaggio	230 V
