

Cod: 10503

220x110x45h cm stainless steel wall-mounted snack hood with EC motor

Description

The 220x110x45h cm stainless steel wall-mounted snack hood with motor has a robust and durable stainless steel structure. Equipped with stainless steel labyrinth filters, flameproof and dishwasher safe. Possibility of connecting several hoods side by side thanks to the use of plenums (optional) Built-in extraction motor 9/9 version, see details in data sheet. Photo purely indicative. The product may have residues of detergents used to clean the steel during production, which can be removed with normal steel cleaning. The product may present small scratches due to normal handling of industrially produced steel.
