Bench-mounted manual dough sheeters 0.37 kW 100x90x44h cm

Description

Reliable, solid, efficient. The dough sheeters are designed and engineered for extremely easy and functional use, in full compliance with international safety standards, perfectly meeting the needs of restaurants, hotels, pastry shops and small to medium-sized bakeries. Thanks to its limited footprint, this model fits perfectly even in small spaces. This dough sheeter is beltless, with Teflon-coated steel chutes, ideal even for small productions.
