

Cod: 3589

Refrigerated table dimensions 1360x700x650 mm

Description

Refrigerated table with a totally stainless steel structure. Suitable for storing foods such as meat, fish, cold meats, cheese and vegetables. Allows preservation and can be used as a worktop in the meantime. Available with built-in sink, with height-adjustable splashback. Stainless Steel interior and exterior, with the exception of the galvanised steel exterior bottom. Rounded internal corners. CFC-free, high-pressure injected polyurethane insulation. Insulation thickness: 40 mm. Self-closing doors with magnetic gasket. Temperature only positive. Front electronic control panel with NTC probe. Ventilated refrigeration. Removable and tropicalized refrigeration unit as standard (room temperature +43°C and relative humidity 60%) operating with R404A/R507 gas.
