

Cod: 3591

Refrigerated table dimensions 2230x700x650 mm

Description

Refrigerated table with structure made entirely of stainless steel. Suitable for storing foods such as meat, fish, cold meats, cheese and vegetables. Allows preservation and can be used as a worktop in the meantime. Available with built-in sink, with height-adjustable splashback. Stainless Steel interior and exterior, with the exception of the galvanised steel exterior bottom. Rounded internal corners. CFC-free, high-pressure injected polyurethane insulation. Insulation thickness: 40 mm. Self-closing doors with magnetic gasket. Temperature only positive. Front electronic control panel with NTC probe. Ventilated refrigeration. Removable and tropicalised refrigeration unit as standard (room temperature +43°C and 65% relative humidity) operating with R404A/R507 gas. Tables also available in the version without refrigerating unit. Fully automatic defrosting and evaporation of condensation water. Height-adjustable stainless steel feet (110/190 H mm).
