Stainless steel sink 100x60x85h cm 2 bowls with splashback EC

Description

The **EC 2-bowl stainless steel sink with splashback** for restaurants and pizzerias is an indispensable piece of professional kitchen equipment for washing dishes quickly and thoroughly.

It is often one of the first pieces of restaurant furniture to be incorporated into a professional working environment.

Compact lines and quality materials form the basis of the design of the sinks offered in Ristoattrezzature's catalogue. **Strength and reliability** in a single product.

Particularly suitable for small and medium catering activities. **Select the model best suited to your needs on our website** and discover all the features in one click.

Design and operation

The **EC 2-bowl stainless steel sink with splashback** for pizzerias is a practical and versatile product. The external dimensions of this model are **1000x600x850h mm**, while **the dimensions**

of the bowl are **400x400x250 mm**.

The construction is made entirely of **AISI 304 18/10 stainless steel**: one of the most widely used materials in the kitchen. **Resistant, antibacterial and anti-corrosion**.

The **EC 2-bowl stainless steel sink with splashback** for laboratories is characterised by a splashback that contains any splashes of water and dirt on the walls. At the bottom it has an **intermediate shelf** on which to store dry and clean dishes or any professional kitchen equipment. Finally, it has **4 adjustable feet** to adapt to the height of each individual operator.

Choose to **optimise your kitchen washing up time** and offer your customers **fast and top service**.

Cleaning and maintenance

The **EC 2-bowl stainless steel sink with splashback** for gastronomy is easy to clean. Clean, essential lines and rounded corners accompany this operation.

Carry out this operation periodically and ensure a product that always looks new over time. Simply proceed with:

- **lukewarm water**
- **soft cloth**
- **mild detergent**.

Finally, let it dry properly and it is ready to be used again.

Why it is the right product for you

The Ristoattrezzature **EC 2-bowl stainless steel sink with splashback** is an essential piece of professional equipment for not interrupting the production chain in the kitchen. Perfect for small and medium-sized businesses. **Particularly suitable for bars, pastry shops, restaurants and workshops**.

The **compact design** is among its strengths and the **4 height-adjustable feet** make it particularly adaptable to the needs of the individual. A professional piece of equipment:

- **Robust**
- **Practical**
- **Modular**
- **Versatile**.
