

Cod: 107500040122561

Remote motorised 4-door stainless steel refrigerated freezer table -18 -22°C 210x70x84h cm

Description

GASTRONOMY refrigerated table with 4 doors, low temperature, prepared for remote refrigerating unit with exterior and interior made of AISI 304 stainless steel and galvanised steel exterior bottom, it has rounded interior corners to simplify cleaning the cell. Cold retention and performance will be maximised thanks to 6 cm thick, CFC-free, high-pressure injected polyurethane insulation. The doors are equipped with spring return closure and magnetic gaskets to ensure a perfect seal and a significant reduction in energy waste. Thanks to the convenient display on the front of the refrigerated table, you will always be able to monitor the temperature, ensuring that the correct storage environment is maintained for your food. In addition, ventilated refrigeration will maintain a constant temperature inside the table. It is also equipped with an automatic defrosting and condensation evaporation system that will dispose of liquids without the need for manual intervention. The refrigeration gas that can be used is R452A, which is readily available from any refrigeration specialist.

Dimensions

Dimensioni esterne	2100x700x840 mm
Dimensioni imballo	2150x740x1000 mm
Spessore coibentazione	60 mm

Technical data

Alimentazione	Electric
Amperaggio	1.5 A
Capacità	608 Lt
Capacità netta	420 Lt
Frequenza	50 Hz
Gas refrigerante	R452A
Peso	116 kg
Potenza Elettrica	0.48 kW
Refrigerazione	ventilated
Sbrinamento	automatic
Temperatura d'esercizio	-18 -22 °C
Voltaggio	220 V, 240 V

Standard equipment

In dotazione	1 griglia plastificata GN 1/1 per porta, 1 coppia di guide in acciaio inox a "L" per porta e sottopiano isolante
