**Sushi refrigerated display case curved front glass size 150x41,5x30h cm
capacity 5 gn 1/3 colour black**

Description

The cold display cabinets for sushi preserve the raw material in the best possible way, fully preserving its organoleptic properties and guaranteeing maximum product visibility.

This display case is made of glass, with a structure in pre-painted, anti-corrosion black sheet metal; it is possible to insert 5 gn 1/3 trays inside, not included.

The internal temperature ranges from 0°C to +6°C, making it ideal as a refrigeration temperature for storing fresh sushi. Adjusting the temperature is very easy, thanks to the external digital display.

The curved front glass is ideal for displaying the product on the counter.

Led lighting.
