Professional gravity cured meat slicer with removable sharpener chromium-plated blade Ø 220 mm 0.14 kW

Description

A medium-sized professional slicer ideal for slicing cold meats, meat, cheese and bread. The new EASY CLEAN system, which allows the plate to be tilted, enables the cutting area to be cleaned quickly and easily. The presser with the detachable and DISHWASHABLE plate makes cleaning this slicer model even easier.

Designed in accordance with current safety standards, this slicer has the following features:

- EASY CLEAN SYSTEM: tilting plate for quick cleaning of the cutting area
- Slicing press with plastic slipper that can be disassembled and washed in the dishwasher
- die-cast aluminium base, lacquered with double coat of paint plus food-grade clear coat
- pressed cast aluminium blade cover and plate protected with anodic oxidation
- professional ventilated motor to limit heating and make it silent
- blade-holder shaft mounted on double bearing that makes the slicer silent
- professional blade hardened, ground and hard-chrome plated to maintain cutting efficiency for as long as possible

- removable sharpener with double emery for sharpening and deburring
