

Cod: 983300706232

Stainless steel glass 4-sided refrigerated pastry display case 600 Lt 0 +12 °C 85,2x65,2x189h cm

Description

Refrigerated display case for pastries that allows maximum exposure of the product inside thanks to the 4 tempered, low-emissivity panoramic glass panes and LED lighting. Excellent refrigeration and product preservation performance. The external structure is in steel with non-reversible glass doors with hinges on the right side. Opening is therefore from left to right. The display case is equipped with 4 height-adjustable chrome-plated steel shelves for optimum product display. Refrigeration is ventilated and cold is therefore produced by an external evaporator. The temperature is positive and adjustable from 0 +12 °C and can be easily managed and controlled thanks to a digital thermostat on the bottom of the display. Defrosting is automatic. The display case is equipped with 4 wheels, 2 of which have brakes, and an automatic door closing system.

Dimensions

Dimensioni esterne	852x652x1890 mm
Dimensioni imballo	915x715x2025 mm

Technical data

Alimentazione	Electric
Capacità	600 Lt
Classe climatica	4
Classe energetica	B
Gas refrigerante	R290
Peso	155 kg
Peso lordo	175 kg
Refrigerazione	ventilated
Sbrinamento	automatic
Temperatura d'esercizio	0 +12 °C
Voltaggio	230 V

Standard equipment

In dotazione	4 ripiani in acciaio cromato regolabili
