

Cod: 111110030012802

Pager with 20 pagers coverage 150 mt 4.7x10.2x1.2h cm

Description

Professional pager with charging tower, modern and attractive design, configurable up to 9999 pagers, allows you to alert a customer at the touch of a button, this version requires an external control unit. The pagers are recharged by simply inserting them into the charging tower provided, more powerful battery than other models with double the range. It works up to a maximum range of 150 metres in open field. The pagers are fully customisable with your logo, with ample space for your advertising. N.B. the pager control unit is not included and can be purchased as an optional extra.
