

Cod: 110690032832122

Professional glasswasher with WI-FI preparation three-phase basket 45x45 cm 3.5 kW

Description

Professional glass washer, AISI 304 stainless steel structure, balanced double-walled door, easy-to-clean coplanar stainless steel rotating arms.

Temperature display with possibility of changing work cycle parameters.

The programmable system ensures that rinsing takes place at a water temperature of 85°C to guarantee a reduction in the bacterial load.

Standard features include **a rinse aid dispenser to ensure excellent drying results**, provision for detergent dispenser, provision for drain pump, provision for WiFi module.

Wide range of optional extras available. One glass basket and one dish basket **included**.

Thanks to the increased size of the basket, it retains its excellent glasswashing properties but allows bartenders greater productivity and the flexibility to wash larger plates in one machine.

Perfect for washing ice cream cups and beer mugs in large quantities, thanks to the specific final cold rinse cycle that allows them to be served immediately after washing.

Scratch-proof and impact-resistant capacitive display, designed to withstand the hectic use of professional kitchens.
