Professional glasswasher with WI-FI preparation 40x40 cm single-phase basket 2.8 kW 53x47x66,5h cm

Description

Professional glasswasher suitable for bartenders looking for the best washing performance. The available cycles make it possible to optimise washing performance according to the type of crockery for an impeccable result every time. AISI 304 stainless steel structure, balanced double-walled door, easy-to-clean coplanar stainless steel rotating arms, temperature display and possibility of modifying work cycle parameters. The programmable system ensures that rinsing takes place at a water temperature of 85°C to guarantee a reduction in the bacterial load. Standard: Rinse aid dispenser to ensure excellent drying results, provision for detergent dispenser, provision for WiFi module, provision for drain pump. Wide range of optional extras available on request. Two cup baskets included. Scratch and impact resistant capacitive display, designed to withstand the hectic use of professional kitchens.
