

Cod: 110690032393122

Professional glasswasher with WI-FI preparation three-phase basket 50x50 cm 3.5 kW

Description

Professional glass-washer perfect for washing ice-cream cups and beer mugs in large quantities, thanks to the specific cold final rinse cycle that allows them to be served immediately after washing. AISI 304 stainless steel construction. Balanced double-walled door. Easy-to-clean, coplanar stainless steel rotating arms, temperature display, possibility to change work cycle parameters. The programmable system ensures that rinsing takes place at a water temperature of 85°C to guarantee the reduction of the bacterial load. Standard with rinse aid dispenser to ensure excellent drying results, provision for detergent dispenser, provision for drain pump, provision for WiFi module. Wide range of optional extras available on request. Thanks to the increased drum size, it maintains its excellent washing properties and allows bartenders greater productivity and the flexibility to wash even the largest dishes in one machine. Scratch and impact resistant capacitive display, designed to withstand the hectic use of professional kitchens.
