

Cod: 11164

Professional glasswasher with WI-FI connection and single-phase water purifier basket 40x40 cm 2.8 kW

Description

Professional glasswasher with Wi-Fi connection and water purifier installed, suitable for bartenders looking for the best washing performance. The available cycles allow you to optimise washing performance according to the type of dishware for an impeccable result every time. Easy-to-clean, coplanar stainless steel rotating arms, temperature display, possibility to modify work cycle parameters.

The programmable system ensures that rinsing takes place at a water temperature of 85°C to guarantee a reduction in the bacterial load.

Standard rinse aid dispenser to ensure excellent drying results, provision for detergent dispenser.

Wide range of optional extras available.

Two cup baskets included.

Scratch and impact resistant capacitive display, designed to withstand the hectic use of professional kitchens.
