

Cod: 11196001315

Counter-top electric fryer capacity 9 litres with built-in hood

Description

Automatic fryer perfect for quickly preparing an incredible variety of appetising snacks: Fries, potato croquettes, mozzarellas, olives all'Ascolana, onion rings, chicken wings, cutlets, fish, cremini... and much more.

Ideal for bars, kiosks, take-away pizzerias...

They are equipped with a purification system that **eliminates fumes and vapours** by transforming them into water, so you don't need to connect them to a fume hood.
