

Cod: 11196001424

## Counter-top electric fryer with 5.5 litre capacity and incorporated hood

### Description

Automatic fryer perfect for quickly preparing an incredible variety of appetising snacks: Fries, potato croquettes, mozzarellas, olives all'Ascolana, onion rings, chicken wings, cutlets, fish, cremini... and much more.

Ideal for bars, kiosks, take-away pizzerias...

They are equipped with a purification system that eliminates fumes and vapours by transforming them into water, so they do not need to be connected to a fume hood.
