

Cod: 112240020622016

Electric cooker with 4 cast iron plates with open compartment 10 kW 80x70x85h cm

Description

Electric cooker with 4 cooking plates and open compartment, stainless steel construction. Knobs made of athermal material with functional screen printing on the edge. Heating by means of electric square radiant cast-iron plates. Each plate has three heating elements embedded in a layer of insulating material. Each plate has a switch that allows the power to be adjusted from maximum to minimum in seven positions. Safety is ensured by a temperature limiter placed inside the hotplate. Stainless steel work surface to ensure perfect plate housing, easy cleaning and to protect electrical components from overflowing liquids. Front cover in AISI 304 stainless steel. The hotplates are placed at the same level as the worktop to form a smooth surface that makes it easier to handle the pans. A drip pan for collecting liquids is supplied. Laser-cut top finish to ensure a "head-to-toe" combination of tops and binding of tops to each other. Height-adjustable stainless steel feet.
