

Cod: 11191022844

Fry top height-adjustable gas lava stone grill 9 Kw 40x70x25h cm

Description

Lava stone grill fry top, stainless steel construction. Knobs made of athermic material with functional serigraphy on the edge.

Heating by means of a **two-branch stabilised flame burner**. Equipped with a safety gas tap that allows the power to be adjusted **from maximum to minimum**. Safety ensured by a thermocouple kept active by the pilot burner flame.

Movable stainless steel meat grill supplied. Food support grill can be positioned **at two different heights**, even during service.

Inclined and facing grease drain hole, connected to a large capacity container below the cooking surface.

A small drawer to collect dust from burning lava stone **supplied**.

A 5 kg lava bag **supplied**.

Moulded AISI 304 stainless steel worktop with large radius rounded edges for easy cleaning.

Laser-cut worktop finish to ensure a "head-to-head" connection between tops and binding of tops to each other.

Tested with methane or LPG gas according to user requirements.
