

Cod: 114160412919

Electric grill with water on cabinet power 12 kW dimensions 80x73x87h cm

Description

Electric water grill on closed cabinet. Stainless steel sides, bottom and back. 15/10 thick AISI 304 stainless steel top. Predisposition for butt joint. Reversible cast-iron cooking grill. Inclined, with 5 mm contact elements and cooking fat drainage, suitable for cooking fatty meats. Horizontal, with circular elements, suitable for cooking fish and vegetables. Rear and side splash guard. Removable front grease trough. A grease and water collection drawer is located under the heating elements. Two independent cooking zones. Heating is by means of Incoloy armoured heating elements located under the grill. The cooking temperature is controlled by means of a thermostat. Indicator lamp to indicate activation of heating. Labyrinth control knobs that prevent water from penetrating inside during cleaning. Equipment fitted with height-adjustable stainless steel feet. IPX4 degree of protection.
