

Cod: 114220010632920

Table-top electric potato warmer 0.8 kW 40x70x61h cm

Description

Electric counter-top potato warmer, stainless steel construction. Knobs made of athermic material with functional screen printing on the edge.

Heating by means of a **special infrared radiator** operated by an energy regulator. Safety thermostat with automatic reset integrated in the heating element.

Moulded work surface and basin for easy cleaning. Stainless steel front, side and rear panelling.

Stainless steel tank with rounded edges sloping to allow oil to drain into the tank. Stainless steel chute to allow adequate hot air circulation to the material.

Laser-cut top finish to ensure a "head-to-toe" matching of tops and binding of tops to each other.
