

Cod: 114260010682016

**Electric braising pan manual lifting capacity 50 litres 80x70x85h cm**

## Description

Hand-lifted electric braising pan, stainless steel construction. Knobs made of athermalic material with functional screen printing on the edge. Sturdy handle.

Heating by means of **special high-performance heating elements** operated by a thermostat and placed at the bottom of the pan. Safety ensured by a manually reset safety thermostat.

Cooking tank equipped with a thermostat that allows the temperature to be adjusted between 90°C and 300°C.

**50 litre tank capacity.**

**Cooking vat made entirely of thick stainless steel.** Balanced stainless steel lid.

**Manual lifting system** by means of a manoeuvring wheel connected to a stainless steel worm gear.

AISI 304 stainless steel worktop with rounded edges for easy cleaning. Stainless steel front, side and rear panelling.

Laser-cut top finish to ensure a "head-to-head" matching of tops and binding of tops to each other.

**Height-adjustable** stainless steel feet.
